

EXTENSIVE FEATURE SET ONE INTEGRATED SYSTEM

The features we offer you will separate you from the crowd because they are unique and effective. No more chasing down login info for multiple accounts. **Our Intergrated system includes:**

CONTENT MANAGEMENT SYSTEM

You're always running the latest version of our simple Content Management System (CMS) that makes updating your site a breeze.

BUILT-IN FUNCTIONALITY

Project galleries, company news, staff updates and a secure bid center. No need to stress about coding with our intuitive apps.

INTEGRATED EMAIL MARKETING

Send personalized and professional emails to previous clients, prospects, staff, vendors, subs and more.

POWERFUL CUSTOMER DATABASE

Our built-in Client Relationship Manager (CRM) integrates with our CMS, web forms, reporting and email marketing.

REPORTING & ANALYTICS

The reporting system gives you real-time data. This provides solid information for making better decisions.

RESPONSIVE DESIGN

Our sites are mobile & tablet firendly and look great on any device.

WORLD CLASS SERVICE & SUPPORT

Building websites on a foundation of experience and technology is our specialty. From knocking your socks off with amazing designs to wowing you with our service, **you'll love working with us.**

UP-FRONT PRICING

We pride ourselves on standing behind the quality of our work and the tremendous value we deliver. Our pricing structure is clear, up-front and tailored to you.

TRAINING

You won't get lost because we provide clear step-by-step instructions for easily updating your website as needed. Too busy to get it done yourself? Our team is standing by ready to do it for you.

KNOWLEDGE CENTER

Focused specifically on the building industry, our Knowledge Center provides you with the latest information and tools to help grow your business.

HASSLE-FREE SERVICE PLANS

With our Annual Service Plans, you are always running the latest, proven tech. You'll never need to worry about managing system updates, modules and plugins. We've got it covered.

SITES
FOR BUILDERS

GET BACK TO WORK

**NO HASSLE. JUST THE ONLINE
MARKETING TOOLS YOU NEED TO
BUILD YOUR BUSINESS**

ONE TRUSTED VENDOR INFINITE POSSIBILITIES

Think of us as your general contractor for marketing. Websites are our specialty, but we offer many services that will boost your company's success. We are your "online gurus" and your "on-demand" marketing team.

DO YOU RECOMMEND DIY? WE DON'T EITHER

No duct tape...just rock solid construction. Some things are best left to the professionals. We built our team with the perfect mix of creative sizzle, technical wizardry and storytelling magic.

We're fiercely dedicated to our clients and to producing absolutely stunning work. We make great ideas come to life and we'll use our knowledge, insight and expertise to make sure your project is a success.

Count on us to:

- Truly listen to you and get clear about your goals
- Bring fresh ideas and new perspectives
- Collaborate to create a solution unique to your business
- Help you avoid common pitfalls
- Clearly communicate the pricing and purchase process
- Provide superior value

GET ALL THE TALENT YOU NEED WITHOUT PAYING FOR WHAT YOU DON'T

No two projects are the same. You might start with a spec, but before long you're adding more square footage and high-end finishes. We'll find the right mix for you.

WEBSITE DESIGN

Building websites on a solid foundation is our specialty. Amazing designs, modern tech and superior service.

LOGO & BRAND IDENTITY DESIGN

A good logo is the first step to creating a memorable brand for your business. Whether it's a face-lift or a new brand, we're good.

PRINT

Let us help you with everything from business cards and letter-head to a slick brochure that gets you the next big gig.

COPYWRITING

You've got a story to tell: your history, experience, values and what makes you different. Do you have the time to tell it well?

EMAIL MARKETING

No spam here. We're talking compelling email messages directed to your target audience.

SEARCH ENGINE OPTIMIZATION

Page rank, pay-per-click and SEO in general can feel like a complex equation. We'll teach you everything you need to know.

SOCIAL MEDIA

Don't know the first thing about using social media for business? We will help you develop a solid strategy for your company.

OUR WEBSITES GET YOU NOTICED

Your website is more than an online brochure. It is a powerful marketing tool that should be showcasing your skills, impressing customers and **getting you more work!**

GET READY TO BRAG

Tired of making excuses for that crummy old website? This is your primary marketing vehicle. Like it or not, potential buyers are doing their research online. Let us build a site that reflects the craftsmanship you put into your work.

- **Proudly** tell your story
- **Beautifully** showcase your work
- **Clearly** communicate with clients, vendors & subs
- **Confidently** track results
- **Grow** as you go
- **Generate** more business

"SFB not only designed our current website but has become our 'go to' source for company branding, marketing and communications. We are focused on construction and have found investing in SFB for these services has paid off."

- Doug, Loeffler Construction
